

PRINCESS 32M

32.00 M | 2013 | € 5,600,000 | VAT INCL.

PRINCESS 32M (ref. 015)

DESCRIPTION

Princess 32M was built in 2013 at the Princess Yachts shipyard, located in Plymouth, UK. She features the V-shaped glossy Super Jet Black hull designed by Bernard Olesinski and sophisticated and at the same time bright interiors by Princess Design Studio.

The yacht is 32 meters (105 feet) long and 7.11 meters (23 feet) wide with a fiberglass hull and superstructure has a shallow draft of 1.98 meters (6 feet). Princess 32M has a top speed of 23 knots and a cruising speed of 18 knots. Zero speed fin stabilizers provide maximum comfort on the move and at anchor.

The yacht underwent a comprehensive refit in 2021-2022:

- Hull painting – 2022
- Replacement control screens Böning – 2021
- Navigation system replacement – 2021
- Replacing carpet with parquet in the salon and on the stairs – 2021
- Overhaul of generators – 2022
- New sofas in salon – 2021
- New satellite TV and internet system – 2021
- New music system – 2021
- Replacing teak decking – 2021
- Replacing lighting lamps with LED – 2021

The yacht can accommodate up to 8 guests in 4 cabins. There is a master cabin on the main deck with a separate office which can also be used as a dressing room with a table. The master suite is equipped with a Loewe widescreen TV and a Fendi sofa. The beautiful bathroom is equipped with two sinks, a new shower and heated towel rails.

Interiors are decorated in a classic style with modern accents. New carpet in all living areas transforms the interior. The color is based on cream and brown shades, radiating warmth and elegance. The lacquered walnut wood panels are in immaculate condition, the rest of the furniture as well. The highlight of the yacht is textiles, upholstery and bedding by Fendi.

Luxurious deck spaces, including a spacious aft deck with bar and dining table for 10 guests, set her apart from other yachts of this size. The sun deck with a recreation and entertainment area is equipped with an automatic folding bimini. Lounge areas on the sundeck include a dining table for 10 people, a large bar, a barbecue, a sunbathing area and a jacuzzi. Additional sunpads are mounted in the bow.

The main salon combines beauty, comfort and style: cream sofas, leather furniture and Fendi linens. Natural light in the salon is provided by fully folding doors to the stern and double doors to the hydraulic folding balcony on the starboard that fills the space with sunlight and provides a breathtaking view and extra space for sunbathing and relaxation. The salon has a Bang & Olufsen Hi-End sound system, 50-inch plasma TV, wine cooler and ample storage space.

Lower deck includes a spacious full-beam VIP cabin, a double cabin and a twin cabin. All cabins are en-suite and were also decorated with Fendi textiles.
